Comedy at the Iris
The Iris program is made up entirely of comedies this week. A large crowd attended both performances last night and all went away feeling better after a hearty laugh. "The Servant Girl Problem" is one of the best of the moving pictures and the crowd enjoyed it very much. It illustrates the difficulty of keeping a servant girl in the suburbs.

"When Women Vote" shows how the women can run things to suit their own taste when they are in office. This is a funny one.

Charles Smith sings "When Bob White Is Whistling in the Meadows" and "She Was a Grand Old Lady." Both songs are beautifully illustrated.

The same bill continues tonight and Wednesday night.

Tailors Notice

CALUMET & ARIZ. MARKET FEATURE

Closing Yesterday at \$109.50, the Highest Price Reached Since the March Slump—Call Money Advanced to 14 Per Cent During the Day.

(By I. N. Kinsey)
GLOBE, July 1.—The New York market opened strong about a half point above Saturday's close and remained firm throughout the day. There was a sharp rally all along the list at the close, undoubtedly due to the covering by the shorts. The Boston market remained firm, with little trading, except in the usually active issues. Greene-Cannan was in demand at \$107.50, with little offered. Shannon sold as high as \$112.12 during the day. Nipissing was the only weak stock on the list and closed at \$11.37, the lowest for several months.

Old Dominion opened strong at \$48.75 and there were sales recorded in the first half hour at \$49. There was considerable short selling in the afternoon and the stock closed a trifle weak at \$45.62. Globe Consolidated was in demand in the Copper Country at \$13.25. Bids were received on Superior & Boston at \$2.50, but we could not locate any at that figure. We have a small block of Inspiration for sale at 16 cents, good only for a couple of days.

Lead was unchanged at 5.70 to 5.80 locally, but advanced 15s to \$20 1/2 in London.
